HAS NO EQUAL IN THE WORLD.

I have used it constantly in my practice for upwards of ten years in all cases where a good physic and alterative was required, and would not now do without it. It is the Physician's Assistant, as well as the safest family medicine in use. Children drink it with pleasure. It will not nauseate the weakest stomach. It produces no griping, but operates easily, thoroughly, and is sure to eradicate all imparities from the system if it is properly taken. Already thousands of living witnesses are ready to testify to its superior virtues, independent of its purgative and anti-bilious qualities. It has cured the worst cases of Erysipelas virtues, independent of its purgative and anni-billous qualities. It has cured the worst cases of Erysipelas in a few days. It is a never-failing cure for Headache, Liver Complaint, Jaundice, Kidney Complaint, Billous Fever, Pains in the Side, Back, Breast, and Limbs, Colds, Cramps, Worms, Lambago, Blotches on the Skin, Pinnjes, Cutaneous Eraptions, Obstructions in the System, Constipation of the Bowels, Dizziness, Mercurial Diseases, Pleurisy, Female Irregularities, Bowel Complaints, Ulcers of all kinds, &c. It cleanses by its augment medicinal virtues, the ulcerous humor from the blood and corrupt bile from the stomach, carryin, it off through the natural channels; it invigors a the blood and leaves the system healthy. I ask my friends to test the above medicine, and pronounce a verdict as they shall be impressed by the evidence. Those who know me professionally will not doubt its worth.

Since its first introduction, no medicine has attained such wonderful popularity, and its sales have increased beyond the most sanguine hopes of "affriends. Neighbors recommend it as a safe and unequalled physic! Physicians carry it with them. Children will take no other after one trial, and parents should use no other after one trial, and parents should use no other in their families. DR. BROTHERS' RHEUMATIC PILLS.

These Pills are very efficacious in every case of Rheumatism, whether acute or chronic; and I am satisfied, from my own observation of their great efficacy in the worst and most obstinate cases, that they are not surpassed, if they are indeed equalled, by any other pills of the kind in existence; they attenuate viscib humors, remove obstructions, regulate the system, purify the blood, and thus cure the complaint. The Rheumatic Liquid used with the Pills, to bathe the parts affected, will very much facilitate the cure. When the case is very obstinate, and does not yield readily to the above medicines, a Syrup made from the Alterative Powder, (which can be obtained at the same place with the Pills alone, or the Pills and Liquid, will remo

derangement of the bowels, and consequently the Piles.

Most of the remedies now in use for this dangerous and painful affection, are directed to be applied externally; they do not remove the cause of the complaint, and can therefore afford only temporary relief. Again, the disease is often beyond the reach o aid from external applications, an objection to which this remedy is not liable, it being taken internally. It is perfectly safe, pleasant to take, mild and easy in its operation, and affords immediate relief.

It is equally efficacious in curing both the Blind and Bleeding Piles. If the bowels are left costive after the use of this medicine, a little physic may be taken to regulate them. Having been trying the All flealing Ointment in some very bad cases of Piles, I besitate not to assure the afflicted that it is a very valuable medicine, and an inestimable auxiliary to valuable medicine, and an inestimable auxiliary to the Electuary. I consider it the best external appli-

the Electuary. I consider it the best external application, I have ever known. The Electuary is an internal remedy, and the Unitment as an axternal application, used in connexion, I doubt not would be effectual in the most obstinate cases, and must surpass in all instances any other remedies for Piles to be found. INGREDIENTS OR POWDERS OF MAKING. DR. BROTHERS' RESTORATIVE WINE BITTERS.

This article has been extensively used many years by the original proprietor, in his private practice in thousands of cases in this city, (New York.) and throughout the country, with invariable success; he can, therefore, with confidence, recommend it as superior to any preparation of the kind now in use; it is admirably calculated to restore tone to the museular fire, and thereby impart strength and energy to the whole system. It will be found exceedingly valuable in all cases of Debhity, Dyspepsis, Pain in the Breast, Weakness of the Lungs, Nervous Complaints, such as Finor Albus, or Whites, Prolapsus Uteri, or Fatting of the Womb, &c.

The basic Cough Syrup in the world!

Dr. J. S. Rose, of Philadelphia, has had an extensive practice of medicine in that city, the past thirty years, and his Cough Syrup is one of the most popular prescriptions for Coughs, Colde, Consumption, and all complaints of the Breast and Lungs. It not only cures the above complaints, but fortifies the system against future attacks. Thousands have been cured of Consumption by this valuable preparation. It is now used and recommended by medical men, at home and abroad, as the best Cough and Consumption medicine in the world. This is no quack preparation, but it is prepared with great care by Br. J. S. Rose himself, an eminent and regularly educated physician.

When you see a medicine puffed to cure Coughs, Consumption, Croup, and Whooping Cough, diseases ontirely dissimilar, put it down as a quack medicine; hence, Dr. Rose prepares a mixture for each complaint, and suited to each disease. Cough Syrup for Coughs, Colds, and Consumption; Croup Syrup for the Croup; and Whooping Cough Syrup for Coughs, Colds, and Consumption; Croup Syrup for the Croup; and Whooping Cough Syrup for Coughs, Colds, and Consumption; Croup Syrup for the Croup; and Whooping Cough Syrup for Coughs, Colds, and Consumption; Croup Syrup for the Croup; and Whooping Cough Syrup for Coughs, Colds, Price of Cough Syrup 50 cents and \$1 a bottle.

DR. ROSE'S CROUP SYRUP.

There have been many remedies compounded for the cure of Croup or live. The disease is particularly prevalent among children, and often fatal; but as I have never seen a case terminate fatally or commune long where this Syrup was used, I can recommend it with the highest confidence. With one bottle of Dr. Rose's Croup Syrup in the house, no mother need fear the Croup. 25 cents a bottle.

Certificate of Dr. W. Smith, of Pine Hill, Rich.

mond County, North Cerofina.

Pine Hill, March 4, 1854.

Dran Sire: I have been a subject of Dyspepsia, is its worst form, for the last five years. Such was my condition for twelve months that the physicians and all who saw me said I must dis. While it this condition, I was carried to the watering places in Virginia, Tennessee, and North Carolina, but was not benefited by any water to while I was taken. While on my way home, I stopped a week at Rutherfordton, a small village in North Carolina, but was not of the week I went into a drug store to get some medicine for my child and myself. There were neveral of the village physicians in the store, and one of them seemed to take some interest in my case, and, after asking me some questions, said he had been a dyspeptic, and had been greatly benefited by the use of "Hoofiand's Gerican Ritters," prepared by you, and he insisted that I would try the Bitters. He also called the next day at my room, and insisted so much that I would try them that I saked him to get me one bottle. He did it, and I commenced taking it as directed, and I was more benefited by it than all the water and medicine I had ever taken.

After reaching home, one of my neighbors came to me for a prescription and medicine, (as a dyspeptic), and I gave him nearly all the Bitters I had left, which effected much good in his case. He has often called on me for more of the same kind of medicine, as you he was more benefited by it than any other he had taken, but I have not been able to got any more for him or myself since. Will you, therefore, please ship me a dozen or more as soon as possible.

It is only necessary to say, that after very many years of experience, and being fully conversant with all of the various kinds of Stoves which have been invented on the down-draft 'inciple, that I have taken advantage of every well-k-new improvement that has from time to time been made, particularly in reference to the formation and construction of the flues, which are always necessary to be large, and I have fully applied every improvement and combined them all in the "Sunrise Air Tight Cocking Stove." This Stove is made very heavy, and is a good substantial article; I have made them extra heavy in all the parts where long experience has proved it to be important, and I can assure my contour that I have spared neither pains more appeared in getting it up; and it will not be creelled by any stove now known of a similar character; I am convinced that it will at once become a standard Stove.

I have fully tried them in every war, with WOOD and COAI, and atroughy recommend them to the public. They operate in the most satisfactory manner.
